MADE FOR YOU.....

I am the one
Waiting for you,
Hold my hands
Melt in my charms,
Let me comfort you true,
I am the one made for you,
Made for you, made for you!
Your eternal love dew,
Your dream, your desire,
Your soul mate for life entire,
I am the one made for you,
Made for you, made for you!
I am here for you,
Keep you calm,
Safe in my arm,
I ain't nobody let you harm,
I am the one made for you,
Made for you, made for you!

Open your arms,
Hold me tight,
Let's together fly tonight,
Beyond the stars off our sight,
I am the one made for you,
Made for you, made for you.....!

JOURNEY.....!

Mankind material
Soul eternal
Thoughts infinite
Desires co-finite
Shrinking mind set
Broad closest
Favouritism classified
Inclusion nullified
Equality upheld verbally
Discrimination prominent naturally
High thinking relief
Live simple
Moderate belief
Congregation of temple

Day night toil
At home on soil
Wisdom on sale
Character in discreet veil
Values in conceal
Time and tide sail
Uncertain treasures hidden in foil.....!!!!!!
